

# Illinois Public Health Nurse Administrators (IPHNA)

The purpose of IPHNA is to promote quality public health nursing services in the State of Illinois through:

- communication and information exchange on local, state, and federal levels;
- participation in state planning and decision making for public health services, including promotion of public health nursing roles at the state level;
- educational activities directed to the needs of Public Health Nurse Leaders; and,
- Advocating for Public Health Nursing in Illinois.

Membership in IPHNA is open to any nurse designated as an administrator, director, supervisor, manager, or coordinator in an Illinois local health department. Local health departments may have multiple members, however, only one vote per health department is allowed. Former members who have retired shall be eligible to maintain ex-officio membership.

IPHNA dues are \$30.00 per member per year. The membership year is July 1st through June 30th with dues payable by July to the treasurer. Dues are not assessed for retired members.

If you are interested in joining this group of dynamic public health nursing leaders, please complete the attached application and submit with your dues to the treasurer as shown below. Checks should be made payable to "IPHNA".

**Robin Hannon, IPHNA Treasurer**  
**29 Ednick Drive**  
**Swansea, IL 62226**

Upon receipt of your application, you will be notified of the section to which you belong and the name/contact information of the section chair.

Thank you for your interest in the organization. We hope you find it engaging and useful to your practice as a Public Health Nurse in Illinois. Welcome!
